MyChart Registration

AAKP uses MyChart, an online patient portal, to streamline communication with our patients. Through this portal you are able to send our providers and staff non-emergent medical questions, send scheduling requests to our front office, request medication refills, cancel appointments, and message our billing department with account questions. You are also able to view your child's immunization record, growth charts, past visit summaries, future appointment and medication dosages.

Please complete the information below so we can activate your MyChart account.
